

Vision: Seeing What God See's – Pt. 2
Back to the Future

*"If people can't see what God is doing, they stumble all over themselves; But when they attend to what he reveals, they are most blessed." -Proverbs 29:18
MSG*

God has always been at work in your life—even when you didn't know it.

*"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a **future**."
Jeremiah 29:11 NIV*

- Future "acharyth" – paints a picture of a row boat facing backwards.
- Before we can "row" into our future, we need to have a perspective of our past.

To move into your future you need God's perspective of your past.

- Throughout scripture we are commanded to "remember" where we've been.
- Our job is to see our past from HIS perspective
- God commanded Moses to record the starting/turning points of their journey out of Israel so they could remember his faithfulness.
 - "Here are the **stages** in the journey of the Israelites when they came out of Egypt by divisions under the leadership of Moses and Aaron. At the Lord's command Moses recorded the **stages** in their journey. This is their journey by **stages**:" -Numbers 33:1-2 NIV
- When we forget what God has already brought us through, we make decisions from fear instead of faith.
 - "But **they soon forgot what he had done and did not wait for his plan to unfold**. In the desert they gave in to their craving; in the wilderness they put God to the test."- Psalms 106:13-14 NIV
